## ISO 14001:2015 Off-site Support

AKA will provide additional support via email, text and Phone throughout the implementation of the ISO 14001:2015 Environmental Management System. Support includes assistance with forms and related documentation, interpretation questions about the Standard as they apply to your documented EMS.

Our goal is to be available anytime you feel additional support would help move the implementation along toward the final goal of achieving certification or compliance to the ISO 14001:2015 Standard. Weekend and evening support is included: Our experts are here for you!

*True implementation support is answering the questions as they come up...in the middle of the day when your ISO specialist is off-site*

## Benefits;

- Assistance in interpreting the requirements of the Standard as it applies to your documented EMS;
- Assistance in reviewing and editing documents;
- Answers to questions for your implementation team;
- Addressing other areas of concern. (i.e. certification process, assisting in finding a certification body, etc)
